<b>Combat Summary</b>	
<b>Ship Attack</b>	<b>Boarding</b>
<b>Line of Sight Check</b>	Attacker(s) can fire across multiple clear hexes
<b>Fire Arc Check</b>	Target must be within an Attacker's green fire arc
<b>Separate attacks against Target's green and red zones</b>	Yes. Attacking Ships in the Target's green zone combine into one attack, and likewise with the Target's red zone.
<b>Eligible Attackers combine for 1 attack</b>	Yes. If they have not participated in another attack
<b>Eligible Defenders assist in defense</b>	Any partner guild ship with Target in their green zone can aid in defense
<b>Combat Value</b>	Attacker(s): Sum of green fire arc value(s)  Target: Either green or red fire arc value plus green fire arc values of assisting Guild Ships
<b>Damage</b>	If Attacker(s) win, Target consults the Damage Value Table under Ship Attack  Losing Ship of the boarding attempt takes 1 damage
